Inclusion Collaborative State Conference

The Inclusion Collaborative State Conference is an interactive and reflective educational opportunity to understand and learn evidenced based practices for individuals involved in the care and education of children from prenatal to age 24 with and without disabilities to create or enhance equity and inclusive practices in their respective programs and communities in which they live.

Conference Goals:

- Develop relationships across agencies to support inclusive practices
- Meet and learn from peers to problem solve and create inclusive programs for children from prenatal to age 24
- Understand and learn about research findings, models and evidenced-based practices to guide inclusive practices, enhance equity, policies and professional development

Continuing Education Units (CEUs)

We understand that acquiring new skills can promote opportunities for professional success. We offer continuing education courses to help you grow your career and enrich your personal life. Continuing education courses offer Continuing Education Units (CEUs) intended for use where employers, licensing agencies, or other professional associations require a specified number of study hours. One CEU is awarded for each ten hours of contact participation.

There are many benefits that come from taking continuing education courses, including the opportunity to make more money, gain confidence, and make yourself more desirable in the job market. If you are looking for personal enrichment, continuing education courses can give you new skills to pursue your interests in life.

UNIVERSITY OF THE
PACIFIC

Payment and registration for University of the Pacific CEUs will be available via CEU form on our Sched Mobile app.

Fee: \$160 (two semester units total for attending both days). NO REFUNDS. MUST ATTEND BOTH DAYS OF CONFERENCE FOR CREDIT.

Professional Development Hours

Electronic Certificates of Completion will be distributed for each day. Attending both days totals 12 hours. Please refer to Sched mobile app for further details.
