From the Director

Dear Inclusion Collaborative Supporter:

Thank you for all your support of the Inclusion Collaborative (IC) of the Santa Clara County Office of Education (SCCOE). This year has been marked by incredible growth and we continue to be leaders for promoting and supporting inclusion for all children, providing professional development and consultation services, often beyond our own Santa Clara County.

We continue to be so thankful for our funder, Mrs. Charmaine Warmenhoven, who continues to be our guiding light for inclusive support and services! For the 14th year, she has provided both financial and consultative support for the IC – and providing the needed support to make the Inclusion Support Warmline free of charge for all. This year, we have received more calls than ever – even out-of-state and from other countries!

Our partnerships within our community and statewide continue to be strengthened, working together to align other local, county and state initiatives. With the continued demand for Least Restrictive Environment (LRE), opportunities continue to become available to the IC.

Thank you also goes to our extremely supportive and dedicated Warmenhoven Advisory Board, who continue to provide the needed advice and guidance to the IC. Our own SCCOE Superintendent of County Schools, Dr. Mary Ann Dewan, continues to promote inclusive education and remains our leading champion. The guiding principals of SCCOE: Equity, Diversity, Inclusion and Partnerships continue to be the 'north star' of the Inclusion Collaborative. The IC also has the most dedicated, knowledgeable, compassionate and hard-working

staff, who continue to work tirelessly to support inclusive practices for ALL children and remain ever flexible to the opportunities to support inclusive practices as they present themselves to us.

We are excited as look forward to another amazing year! Thank you for all your ongoing support!
