2018 Inclusion Collaborative Conference

Inclusion Collaborative

Why?

Every individual regardless of abilities and disabilities has the right to full access to quality inclusive learning and community environments.

Mission:

The Inclusion Collaborative of SCCOE builds a culture that values all children by strengthening, sustaining, and ensuring inclusive practices.

Vision:

Our community embraces diversity and supports lifelong quality inclusion for everyone.

Core Values:

- Engagement, collaboration and partnerships among families, educational systems and community agencies
- Full access for everyone in community and learning environments
- Leadership that models and advocates for inclusive practices in all community venues
- Accessible and integrated services
- Training and education on inclusive practices
- Diversity, in all forms
- Inclusion benefits everyone
- Relationship-based practices with the child and family at the center
- Continuous improvement through a focus on results

Santa Clara County Office of Education

Mission:

The Santa Clara County Office of Education (SCCOE) is committed to serving, inspiring, and promoting student and public school success.

Goals:

- Improve student equity and access to high quality education
- Provide support to districts, communities, schools and students
- Be a premier employer
- Improve organizational effectiveness and efficiency

2018 Inclusion Collaborative Conference

Conference Description

The Inclusion Collaborative Conference is an interactive and reflective educational opportunity to understand and learn evidenced based practices for individuals involved in the care and education of children from birth to 12th grade with and without disabilities to create or enhance inclusive practices in their respective programs and communities in which they live.

Desired Outcomes (in-person or virtually):

- Develop relationships across agencies to support inclusive practices
- Understand and learn about research findings, models and evidenced based practices to guide inclusive practices, policies and professional development
- Meet and learn from peers to problem solve and create inclusive programs for children from birth to 12th grade

Target Audience

General Education **and** Special Education: Administrators, Teachers, Support Staff & Parents.

In-Person vs. Virtual Sessions

In-Person Sessions

There are only 350 in-person slots for on-site participants at the Santa Clara County Office of Education (SCCOE). In-person participants will have access to all keynote sessions and may select one session per time period to attend. In-person participants will also have access to all virtual sessions after the conference.

Virtual Sessions

Since there are only 350 spaces available for in-person participation, the live virtual participation is a great feature of this conference. The conference will have all four keynote sessions and selected concurrent sessions will be live streamed on YouTube over the three Conference days. Virtual sessions will also be recorded and available to all in-person & virtual participants after the conference.

Virtual Participation (Individuals & Virtual Host Sites)

Individuals can tune in live/virtually on their own computers at work sites or at home. Groups also participate at Virtual Host Sites which are typically located at County Offices of Education, Head Start locations, schools, district offices, regional centers, and other agencies. Virtual Host Sites offer the opportunity for more meaningful remote participation in the conference through networking, reflection and discussion about the sessions. Breaks and lunch can be enjoyed at the same times at the on-site conference schedule. Participation by groups may also lead to team planning for implementation of the inclusive concepts presented at the conference.

2018 Inclusion Collaborative Conference

Conference Location & Wi-Fi

The Inclusion Collaborative State Conference is held annually at the Santa Clara County Office of Education (SCCOE) located at 1290 Ridder Park Drive, San Jose, CA 95131. **Wi-Fi internet is available onsite, access instructions will be located in each room and on the conference mobile app.**

2018 Conference Theme

This year's conference theme Inclusioneers Unite!

2018 Conference Training Tracks

- Assessments & Screenings
- Behavior & Health
- Data-Driven Decision Making
- Equity
- Inclusion Toolkit
