

## Inclusion Collaborative Services

The Inclusion Collaborative believes that every individual regardless of abilities and disabilities has the right to full access to quality inclusive learning and community environments. Enhance the knowledge and skills of your team with professional development, coaching and technical assistance from the Inclusion Collaborative.

Whether you need a focused solution, a short-term, or a long-term, tailored strategy, our expert trainers and coaches are ready to help meet all of your professional development, coaching and technical assistance needs. More than 2,000 early childhood providers along with multiple School Districts in California rely on the Inclusion Collaborative evidence-based and competency-based trainings and support each year.

### Who We Train

Participants include: Administrators, General Education and Special Education teachers and assistants, Family Child Care Providers, home visitors and parents.

**Make & Takes:** These are trainings in which participants explore strategies and create a support that they can use the next day. **30 participant maximum per make & take.**
