INCLUSION COLLABORATIVE SERVICES

(In-Person and Virtual Training, Coaching & Technical Assistance)

The **Inclusion Collaborative** believes that every individual regardless of abilities and disabilities has the right to equitable access to quality inclusive learning and community environments. Provide your site/agency with the knowledge and skills to increase inclusive practices with training, observation, coaching and technical assistance from the Inclusion Collaborative.

We provide individualized solutions – either short term or long term, customizing our services with expert trainers and coaches ready to meet your training needs. More than 5,000 educators, administrators and early childhood providers have relied on the Inclusion Collaborative to provide evidence-based and competency-based trainings and support each year.

The Inclusion Collaborative provides both in-person and virtual support, through a variety of means, including instructional rounds, professional learning communities, communities of practice, large or small group training, observation, coaching and technical assistance.

WHO WE TRAIN

Participants include: administrators, general and special education teachers, paraeducators, family child care providers, community agency staff, home visitors and parents.

35 participant maximum for In-Person or Virtual Trainings

- Larger groups can be accommodated upon request at an additional cost
- The Inclusion Collaborative will provide the link for virtual trainings

MAKE & TAKES: Learn about support strategies. Create tools that can be used the next day.
